Series: God's Perfect Gospel

Today's Scriptures: Galatians 5:16-26, 1 Peter 1:13-16

- When we call the Gospel, "God's Gospel," we are putting the \_\_\_\_\_ where it rightly belongs, with God.
  - It's certainly good news for all humankind, but the heavy lifting, the work of salvation is \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ by God.
- The Bible shows us that God didn't just save us and leave us to work out the details on our own—God gave us (every believer) the gift of \_\_\_\_\_
- As Christians, the picture that the Scriptures paints as to what our lives are to look like can best be encapsulated in one word: \_\_\_\_\_
- What is sanctification?
  - The idea coming from being " \_\_\_\_\_ "
    - Anything inside the temple was " \_\_\_\_\_ " – that is sanctified
    - Anything outside of the temple was considered " \_\_\_\_\_ "
  - The Scriptures clearly and frequently declares believers to be " \_\_\_\_\_ " or " \_\_\_\_\_ "
  - \_\_\_\_\_ and \_\_\_\_\_ are inseparable components of God's perfect gospel.
- What are the fruits of sanctification?
  - \_\_\_\_\_
  - \_\_\_\_\_ of your salvation.
  - \_\_\_\_\_

**WHAT ARE THE IMPLICATIONS?**

- \_\_\_\_\_ is the intended position and experience of the follower of Jesus.
- Our Father wants you to know \_\_\_\_\_
- Salvation is part of sanctification in the \_\_\_\_\_, and sanctification is part of salvation in its \_\_\_\_\_.
